Managing Director's Statement

Dear Stakeholders,
I am pleased to present the Annual Financial Statements of Bank of Baroda (Uganda) Limited for the year ended 31st December 2025. Despite both global and local economic challenges, the Bank has demonstrated strong financial stability and sustained growth.

The financial performance for 2025 reflects the Bank's resilience and disciplined execution of its strategic priorities, supported by a customer-centric approach that has driven growth across our core business segments. We recorded improvements across nearly all key financial metrics, underscoring the strength of our operations and business model.
